

## MATERIAL SAFETY DATA SHEET

| IDENTIFICATION   |                      |                      |              |   |
|--|----------------------|----------------------|--------------|---|
| <b>Manufactured for:</b>   | MYDENT INTERNATIONAL |                      |              |   |
| <b>Address:</b>  | 80 Suffolk Court     |                      |              |   |
| <b>City, State, Zip:</b>   | Hauppauge, NY 11788  |                      |              |   |
| <b>Telephone:</b>  | 631-434-7760         |                      |              |   |
| <b>Date Prepared:</b>  | 1/1/2011             |                      |              |   |
| <b>Chemical Name:</b>  | Hand Soap Cleaner    |                      |              |   |
| HAZARDOUS INGREDIENTS  |                      |                      |              |   |
| ITEM   | OSHA PEL             | ACGIH TLV            | OTHER LIMITS | % |
| RECOMMENDED  |                      |                      |              |   |
| <b>Hazardous/Toxic Components (CAS #):</b>   |                      |                      |              |   |
| None   |                      |                      |              |   |
| <b>Hazard Rating (NFPA):</b>   |                      |                      |              |   |
| HEALTH: 0 FLAMMABILITY: 0 REACTIVITY: 0 SPECIFIC: None   |                      |                      |              |   |
| <b>Non-Hazardous Components (CAS #):</b>   |                      |                      |              |   |
| None   |                      |                      |              |   |
| AS PER OSHA HAZARD COMMUNICATIONS STANDARD 29CFR 1910.1200   |                      |                      |              |   |
| PHYSICAL DATA/CHEMICAL CHARACTERISTICS   |                      |                      |              |   |
| <b>Appearance and Odor:</b> Viscous liquid; Fragrant odor.   |                      |                      |              |   |
| <b>Boiling Point:</b> Over 212° F  |                      |                      |              |   |
| <b>Volatile (by weight %):</b>   | N/A                  |                      |              |   |
| <b>Vapor Pressure (mm Hg.):</b>  | Not available.       |                      |              |   |
| <b>Melting Point:</b>  | Not available.       |                      |              |   |
| <b>Vapor Density (AIR – 1):</b>  | Not available.       |                      |              |   |
| <b>Evaporation Rate (Butyl Acetate – 1):</b>   | N/A                  |                      |              |   |
| <b>Solubility in Water (H<sub>2</sub>O)::</b>  | Soluble              |                      |              |   |
| <b>Specific Gravity (H<sub>2</sub>O – 1):</b>  | Approximately 1      |                      |              |   |
| <b>pH:</b>   | Not determined.      |                      |              |   |
| FIRE AND EXPLOSION HAZARD DATA   |                      |                      |              |   |
| <b>Flash Point (Method Used):</b> None.  |                      |                      |              |   |
| <b>Flammable Limits:</b> Not available.  |                      |                      |              |   |
| <b>Extinguishing Media:</b> Not combustible at ordinary conditions.  |                      |                      |              |   |
| <b>UEL:</b> No data.   |                      | <b>LEL:</b> No data. |              |   |
| <b>Special Fire Fighting Procedures:</b> None known.   |                      |                      |              |   |
| <b>Unusual Fire &amp; Explosion Hazards or Procedures:</b> Hazardous decomposition products (see below).       |                      |                      |              |   |
| REACTIVITY DATA  |                      |                      |              |   |
| <b>Stability:</b> Stable.  |                      |                      |              |   |
| <b>Conditions to Avoid:</b> Not applicable.  |                      |                      |              |   |
| <b>Incompatibility (Material to Avoid):</b> Not applicable.  |                      |                      |              |   |
| <b>Hazardous Decomposition of Byproducts:</b> Thermal decomposition may produce oxides of carbon and nitrogen. |                      |                      |              |   |
| <b>Hazardous Polymerization:</b> No.   |                      |                      |              |   |
| TRANSPORTATION: (DOT info if Applicable)   |                      |                      |              |   |
| N/A  |                      |                      |              |   |

| HEALTH HAZARD DATA   |                 |
|--|-----------------|
| <b>EFFECTS OF OVEREXPOSURE:</b>  |                 |
| <b>Routes of Entry=</b>  |                 |
| <b>Skin:</b> None anticipated under foreseeable use conditions. <b>Eyes:</b> Irritation may occur.   |                 |
| <b>Ingestion:</b> May cause nausea and possible vomiting. <b>Inhalation:</b> None anticipated under foreseeable use conditions.  |                 |
| SIGNS AND SYMPTOMS OF EXPOSURE   |                 |
| <b>Skin:</b> None anticipated under foreseeable use conditions. <b>Eye:</b> Irritation may occur.  |                 |
| <b>Ingestion:</b> May cause nausea and possible vomiting. <b>Inhalation:</b> None anticipated under foreseeable use conditions.  |                 |
| <b>Medical Conditions Generally Aggravated by Exposure:</b> None anticipated under foreseeable use conditions.   |                 |
| EMERGENCY AND FIRST AID PROCEDURES   |                 |
| <b>Skin:</b> Flush with plenty of water. If irritation persists, obtain medical attention.   |                 |
| <b>Eyes:</b> Flush with plenty of water. If irritation persists, obtain medical attention.   |                 |
| <b>Ingestion:</b> If large quantities are ingested and person is conscious, induce vomiting. Contact physician. Notes to physician: If vomiting has not occurred, the physician may at his discretion pump the stomach. <b>Inhalation:</b> Not applicable.   |                 |
| PRECAUTIONS FOR SAFE HANDLING AND USE  |                 |
| <b>Steps to be taken in case material is released or spilled:</b> Wipe up spill with sponge, towel, etc. and flush residue with water.   |                 |
| <b>Waste Disposal Method:</b> Small quantities may be flushed to drain with water. If spill is large, reclaim in closed containers for disposal in accordance with local, state and federal regulations.   |                 |
| <b>Precautions to be Taken in Handling and Storing:</b> No unusual handling when used as directed.   |                 |
| <b>Other Precautions:</b> N/A  |                 |
| CONTROL MEASURES   |                 |
| <b>Respiratory Protection (Specify Type):</b> None under normal use conditions.  |                 |
| <b>VENTILATION:</b> General.   |                 |
| <b>Local Exhaust:</b> Not applicable.  |                 |
| <b>Mechanical (General):</b> Not applicable.   |                 |
| <b>Protective Gloves:</b> None under normal use conditions.  |                 |
| <b>Eye Protection:</b> None under normal use conditions.   |                 |
| <b>Other Protective Clothing or Equipment:</b> Impermeable apron.  |                 |
| <b>Other Work / Hygiene Practices:</b> Product is non-hazardous when used as directed.   |                 |
| CARCINOGENICITY  |                 |
| This personal care product does not contain any hazardous or carcinogenic components in concentrations as defined by the OSHA Hazard Communication.  |                 |
| <b>NTP:</b>  | Not applicable. |
| <b>IARC Monographs:</b>  | Not applicable. |
| <b>OSHA Regulated:</b>   | Not applicable. |
