DISPOSABLES

NEW PRODUCT

“Works Better”

The assorted colors allow the practitioner to use a different color to designate specific materials of procedures.

“Lasts Longer”

Strong, thermoplastic material is impervious to most materials found in the dental office.

“Costs Less”

The quick dispensing box and the ease of use of these disposable dappen dishes make them a real winner.

Multi-Purpose Disposable Dappen Dishes

Designed to be used for the quick and easy mixing of almost any dental material while helping to prevent cross contamination during a variety of procedures. A disposable, convenient vessel for prophy paste, composite materials, acrylics, cements and bonding agents. Each dish is made of a high quality thermoplastic material that is impervious to most dental materials. Assorted colors to allow the practitioner to use different colors for specific material and avoid any confusion.

Packaging:	Item No:	Compares to:
1000 Per Box	#DD-5000	Henry Schein® Brand Dapdish™
